1. Background and purpose

At Vizrt Group, we believe that we have a responsibility to conduct our operations in a sustainable manner, taking into consideration a sustainable development model that meets the needs of the present without compromising the ability of future generations to meet their own needs.

As the Vizrt Group we look to provide our customers and partners with innovative, software-based solutions that will be placed into their production eco-systems for many years – sustainability is intrinsic to our products. “More Stories better told”

This innovation and creativity that we employ to find solutions that make our products sustainable is also harnessed to help make solutions for our business, our customers, our people and our planet.

Our people are our superpower and having a high performing and engaged workforce is a top priority for Vizrt Group. To attract and retain our superpower we need to engage them in our sustainable strategy and involve them setting actions to improve our sustainability impact on society and the planet.

2. Policy Statement

Vizrt Group’s policy is to act at all times as a responsible company promoting social, environmental and financial sustainable practices in our own operations and value chain with focus on the areas outlined below.

- We shall always comply with relevant laws and regulations in the jurisdictions where we operate, ensuring our operations, suppliers and partners are in accordance with our Code of Ethics, this policy and applicable requirements.
- We strive to be a trusted partner to our customers, business partners, colleagues and the communities where we operate and ensure we act on fair competition, no conflict of interest and respect for trade sanctions within our business activities and relationships
- We shall have zero tolerance against bribery, corruption and other unlawful and illegal practices and ensure our commitment to act fairly and with integrity in all its operations and supply chain.
- We shall ensure quality, safety and transparency in our services to customers and guarantee the customer’s data protection and privacy, according to the legal requirements and applicable standards.
- We shall ensure applicable proprietary technology rights are acknowledged and protected.
- We shall promote employee safety and well-being in the workplace and ensure good working conditions, so that there are no violations against foundational human rights and labor rights as a consequence of our operations.
- We shall have zero tolerance to child and forced labor within our operations and supply chain.
- We strive to have a diverse and inclusive workforce, where employees are engaged and proud to work at Vizrt Group.
- We shall select and promote our people on the basis of qualifications and merit, without discrimination or concern for race, religion, national origin, colour, sex, sexual orientation, gender identity or expression, age or disability.
